

Fiscal Year 2009

Starting in June 2008 the towns implemented their new fine schedule. The effect of these changes brought a substantial increase in the dollar value of tickets issued while the actual number of tickets issued decreased.

Plymouth County Parking Department continues to process our tickets. A total of 11,922 tickets were processed during FY 2009. Access via computer modem to our data at Plymouth County enables us to assist those with parking ticket problems and/or questions immediately.

Income to the Parking Clerk is derived from a 15% share in fines collected. During FY 2009, \$292,366.00 was collected in fines.

Our online access to the Registry of Motor Vehicles enables us to clear and mark tickets electronically. This real time updating continues to be a very important tool in helping those in non-renewal status.

Joseph Sollitto, Hearings Officer, is available at the Dukes County Courthouse, Monday through Friday, 8:30 to 10:30 for those wishing to protest tickets within 21 days. Written protests are accepted if procedures detailed on the front of tickets are followed.

I wish to thank Noreen Mavro Flanders, Joe Sollitto, Tammy Deese, Dukes County Communication Center and all the Island Police Departments for their continued help.

Respectively submitted,

Carol M. Grant
