1. This list is for 1 adult. Choose things that you can afford to do or have time to do each week.
2. Multiply amounts by the number of family members, and adjust for children, medical needs and allergies.
3. Watch for sales and gather supplies and equipment a week at a time to gradually build up your supplies.
4. Do step 4 after you complete Steps 1, 2 and 3.
5. Choose what works best for your circumstances.

Every step forward is a step forward.
