Resolution was read into the record:

Whereas, the County of Dukes County (Sponsor) for the Martha’s Vineyard Airport Commission, after thorough investigation, has determined that the work activity consisting of: WWTF Upgrades is both in the public interest and necessary to protect the public health, and that to undertake this activity, it is necessary to apply for assistance; and

Whereas, the Massachusetts Department of Environmental Protection (MassDEP) and the Massachusetts Clean Water Trust (the Trust) of the Commonwealth of Massachusetts, pursuant to Chapter 21 and Chapter 29C of the General Laws of the Commonwealth (Chapter 21 and Chapter 29C)
are authorized to make loans to municipalities for the purpose of funding planning and construction activities relative to Water Pollution Abatement Projects; and

Whereas, the Applicant has examined the provisions of the Act, Chapter 21 and Chapter 29C, and believes it to be in the public interest to file a loan application.

NOW, THEREFORE, BE IT RESOLVED by the County of Dukes County (Sponsor) as follows:

1. That the Airport Director is hereby authorized on behalf of the Applicant to file applications and execute agreements for grant and/or loan assistance as well as furnishing such information, data and documents pertaining to the applicant for a grant(s) and/or loan(s) as may be required; and otherwise to act as the authorized representative of the Applicant in connection with this application;

2. That the purpose of said loan(s), if awarded, shall be to fund design/construction activities.

3. That if said award is made the Applicant agrees to pay those costs which constitute the required Applicant's share of the project cost.
