

**\*Massachusetts residents are urged to limit any out-of-State travel, and only travel to States designated as COVID-19 lower-risk States\***

### **Travel Order Simplified**

- Anyone traveling from a state that is not considered “low-risk” as designated by the Department of Public Health, must submit to a COVID test up to 72 hours prior to arriving in Massachusetts or immediately upon arrival in MA. You must quarantine until you receive your test results. You must complete a MA Travel Form prior to arrival in MA unless you are visiting from a lower-risk state.**
  
- Anyone arriving in Massachusetts after traveling internationally MUST fill out a MA Travel Form.**
  - Here is a link to the MA Travel Form - <https://www.mass.gov/forms/massachusetts-travel-form>
  
- Rapid tests are not allowed per Department of Public Health guidelines. Testing must be PCR, and if you choose to test upon arrival in Massachusetts, you **MUST quarantine until you receive your test results.****
  
- If you choose not to test, you MUST quarantine for 14 days after arriving back in Massachusetts.**
  
- Individuals who do not comply with the requirement to quarantine are subject to a fine of \$500 per day.

### **Exemptions to the Travel Order**

- Transitory Travel (people passing through MA). This exemption also applies to minor children traveling out of state to visit a non-custodial parent.
- Persons Commuting for Work or School (people who regularly commute weekly or more to a fixed place)
- Patients Seeking or Receiving Medical Treatment
- Military Personnel
- Workers Providing Critical Infrastructure Services

**\*Testing for children, 10 years and younger, who are traveling with an adult from their household is not required.**
