

HEALTH

THE DUKES COUNTY

COUNCIL

Annual Report - 2008

OVERVIEW:

The Dukes County Health Council, founded in 1966 by the Dukes County Commissioners, is a coalition of 37 appointed members representing consumers, public officials, health care practitioners and agencies of Martha's Vineyard.

Currently there are representatives from the Hospital, Community Services, VNA, Hospice, Whole Health Alliance, Island Health, Access Program, and Windemere. Other representatives include, the Superintendent of Schools, Elder Services, Wampanoag Tribe, Edgartown Board of Health, Veteran's Agent and Associate Commissioner of Health Care.

Much of the year was spent crafting the vision and mission statements listed below. In addition, the Health Council reviewed the goals and developed a model to aid its' committees in completing their work.

VISION:

Our vision is a healthy community with seamless, complementary, coordinated and accessible health and wellness services for the residents of Martha's Vineyard.

MISSION:

The Dukes County Health Council is a coalition of community members, public officials, health practitioners, and health organizations working together to promote community-wide health and wellness.

GOALS:

1. Facilitate the work of the Health Council, including sustainability of current programs and development of new programs and approaches.
2. Foster and promote the organizational support and collaboration needed to develop an integrated primary care system for Martha's Vineyard.
3. Actively support and facilitate, where needed and requested, initiatives undertaken by individual members of the Health Council that are directly compatible with the mission of the Council.
4. For the Health Council's standing committees and workgroups: a) establish the leadership development and succession planning needed to ensure sustainability; and b) actively support and facilitate their plans and programs.
5. Support the development of plans and programs designed to increase the health care delivery capacity of our community, including recruitment, housing, professional development and retention.
6. Establish and maintain liaisons with regional health and human services collaboratives and networks and receive reports.

MODEL TO GUIDE THE WORK OF THE COUNCIL AND ITS COMMITTEES:

Model includes needs assessment, program planning and development, program implementation and evaluation, gathering data, seeking funding to support program planning and implementation, and evaluation in ways that clearly identify community need and produce measurable outcomes.
